Circular Water Solutions

**Challenging  
embedded thinking  
in the water sector**

**Boosting  
sustainability and  
new market dynamics**

**Bringing the circular  
economy to life**

**MATERIALS**

**ENERGY**

**WATER**

# 10 full scale deployments

Defining the  
next generation  
of water systems  
and solutions  
across Europe  
and beyond...

Join us in learning  
from them all !
